

STYLE SELECTOR

Here's our pick of the latest kitchen, bedroom and bathroom styles

Words: Sophie Baylis

Cue & Co of London

Open storage for displaying your favourite kitchenware combined with closed storage for concealing clutter is the perfect fix for disorganised kitchens. Setting an excellent example is the Waldemar kitchen, custom-made by Cue & Co of London and shown here with a Corian worktop complemented by a splashback in solid oak. A complete Waldemar kitchen is priced from £35,000.
